SUMMARY

An Innovative and adaptable developer with hands-on experience in SQL, and Java , along with growing expertise in front-end development and blockchain/Web3 technologies. Skilled in designing scalable, efficient applications that integrate front- end and back-end systems seamlessly. Strong problem-solver with a passion for building user-centric solutions in dynamic environments.Proven academic strengths in Data Structures and Algorithms and Database Management system.

PROJECTS

- 🔗 • **Book-Warm** - 🚩 A MERN-stack (MongoDB, Express.js, React, Node.js) - application for book lovers, enabling users to register, browse, and add books, with secure authentication using JWT and MongoDB Atlas for data persistence.
- 🔗 • **Paw-Some City** - 🐾 A React-based web application promoting pet adoption and animal welfare. Features include informative sections, interactive UI components, and a clean, responsive layout— showcasing solid front-end development and design sensibility.
- 🔗 • **Digital Tool Helping Chatbot** - 🤖 A Python-powered chatbot using Natural Language Processing (NLP) and TensorFlow, designed to assist users with educational or informational queries. Showcases skills in machine learning, chatbot logic, and intent classification.

Tech Stack:

- MERN Stack
- Java and C
- Python
- Solidity
- GitHub

EDUCATION

B.Tech CSE - IES college of technology , Bhopal

NOV 2022 - Oct 2026

CBSE-12th

Rajkamal Saraswati Vidya Mandir ,Dhanbad ,Jharkhand

2019-2021

CBSE-10th

Balika Vidya Mandir ,Jharia ,Dhanbad ,Jharkhand

2018 -2019

TECHNIICAL SKILLS

- **Front-End Development** : Skilled in building apps with Front-End and creating intuitive UI/UX.
 - **Blockchain Technology**: Experienced in developing blockchain apps, building smart contracts with solidity, and integrating APIs .
 - **Database Management** (SQL & MongoDB): Proficient in SQL and MongoDB for efficient data management.
 - **Version Control & Collaboration**: Expertise in using GitHub for version control and team collaboration.
 - **IDE Proficiency (Eclipse)**: Skilled in using Eclipse for code development and debugging.
-
